DIMENSIONISM

WE ARE IN MANY DIMENSIONS. WE ARE PLURALS.

WE ACCESS INTERDIMENSIONAL PATHS. SPACE AND TIME CAN BE TRAVELLED IN ANY DIRECTION.

YOU CAN TRAVEL ENDLESSLY, INSIDE AND OUTSIDE YOUR BODY.

SPACE AND TIME ARE INSTRUMENTAL TO A REFERENCE NEED OF OUR CURRENT CONSCIOUSNESS OF BEING.

WE ARE CROSSED BY INTERSECTING AND TRANSVERSAL DIMENSIONS.

TIME AND SPACE, MATTER AND ALL OTHER UNIVERSAL CONSTITUENTS

GROW AND CHANGE WITH THE GROWTH AND MOVEMENT OF THE CONSCIOUSNESS OF BEING.

WE MODEL EXISTENCE AND LIFE ACCORDING TO THE NEED FOR REFERENCES.

WE WILL MAKE INTERDIMENSIONAL PATHS.

WE WILL SEE THE TOTAL MUTATION OF ALL THE SPATIO-TEMPORAL REFERENCE PIVOTS:

WE WILL RECOGNIZE OURSELVES IN MANY "OURSELVES", IN MANY "BIG BANG".

WILL AND REPRESENTATION WILL CHANGE.

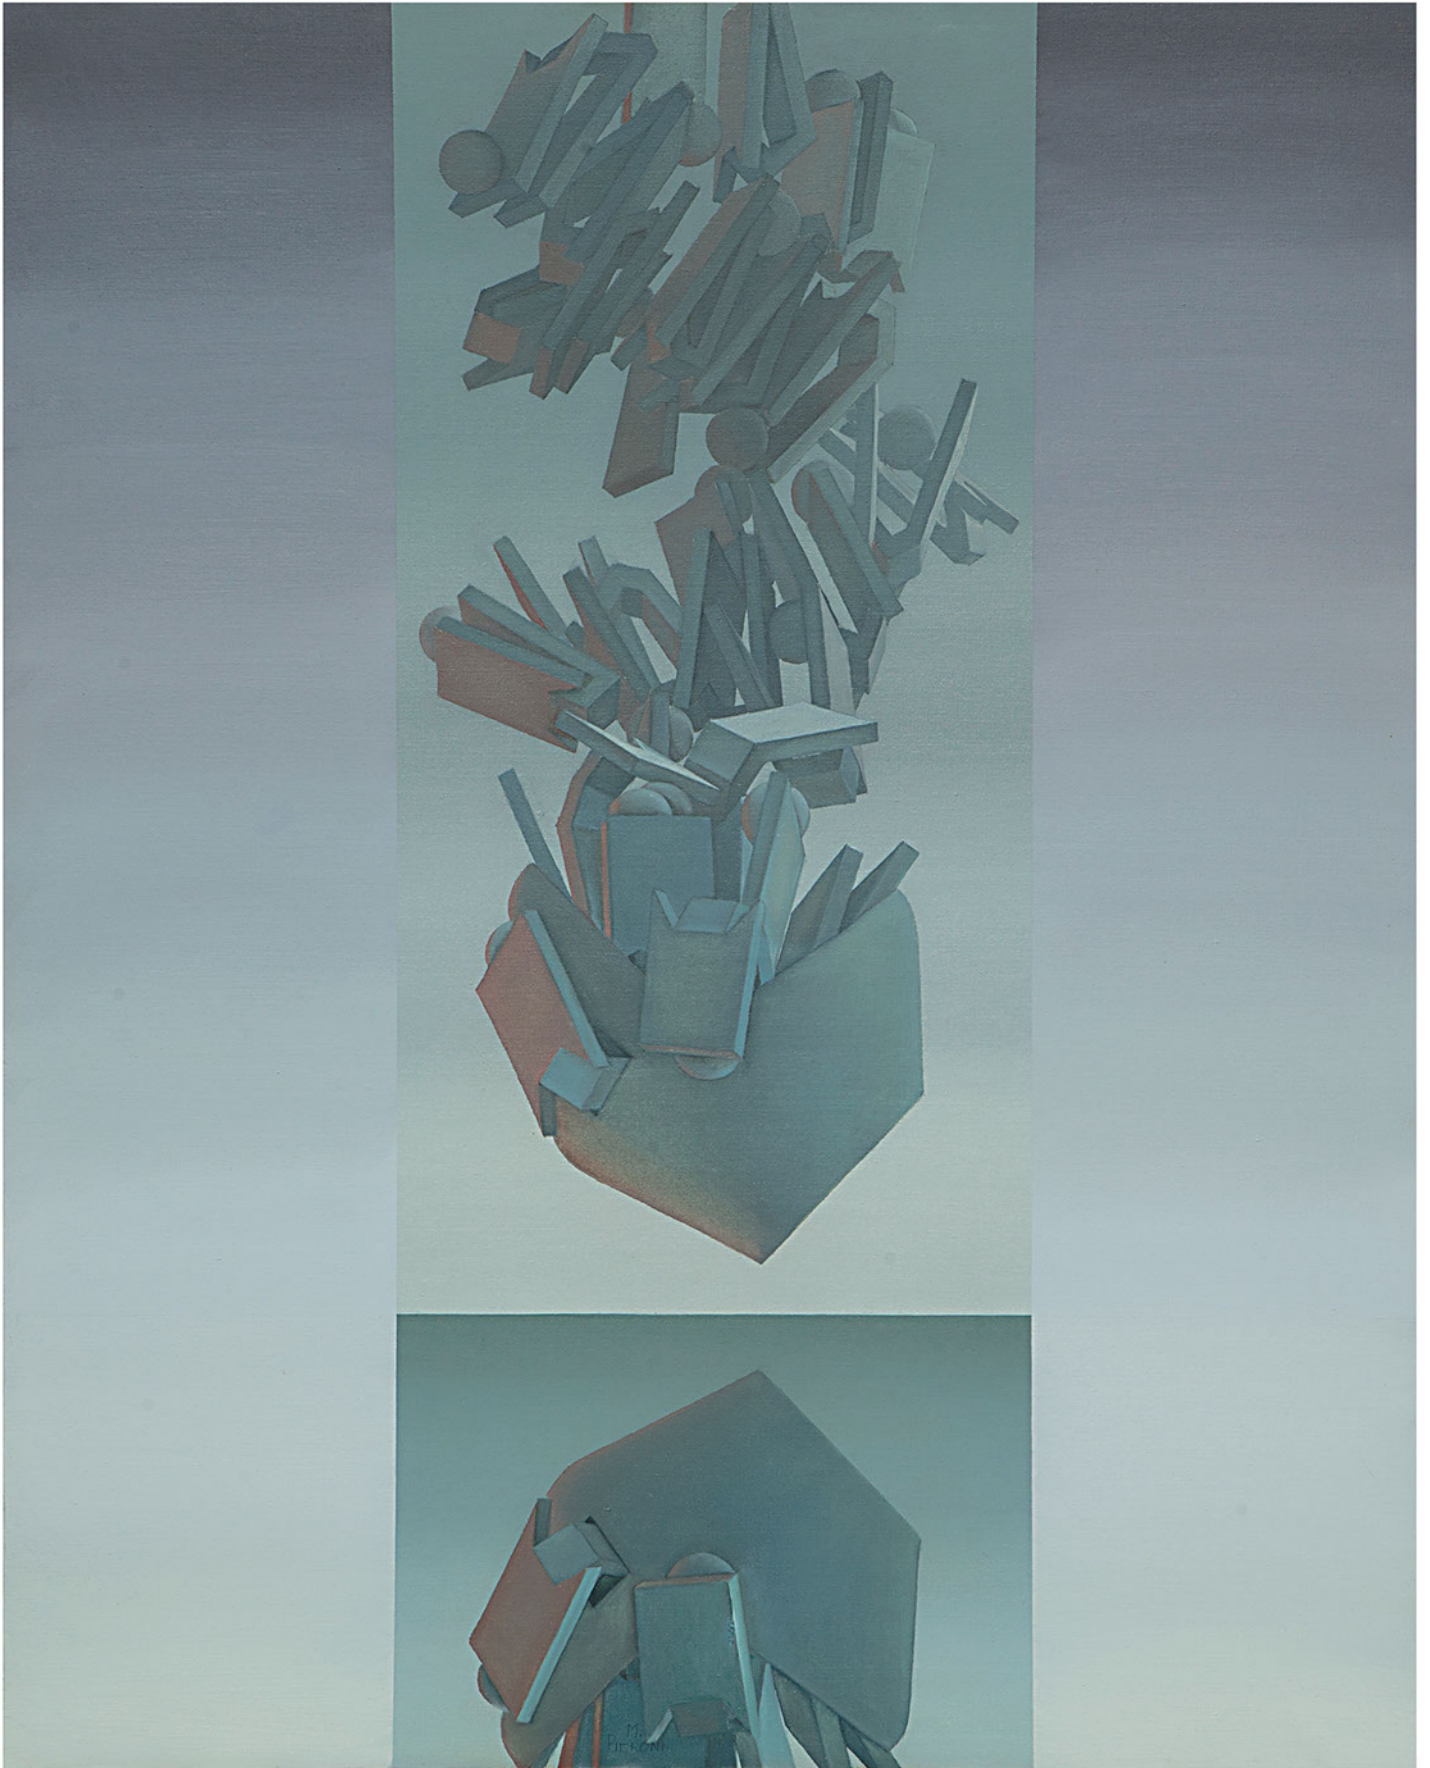

WE WILL BE DIFFERENT AND

WE WILL DECANT THE CONQUESTS OF ETERNITY INTO MACHINES OF VARIOUS MATERIALS.

WE ARE AMONG THE LIVING AND AMONG THE DEAD, THAT IS, HERE AND THERE:

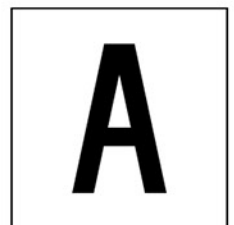

DEATH IS ALSO A TOOL AS ARE TIME AND SPACE.
